Dear Gale,

In compliance with Code Condition No. 12 "Compaction Report" we are writing to document that the building pad has been constructed in substantial conformance with the approved drawings and Appendix Chapter 33 of the OSSC.

On December 20, 1999 we witnessed the proof rolling of the pad construction and found it acceptable.

If there are any questions, please feel free to contact this office at your convenience.

Sincerely,

Lyle E. Hutchens,
Project Manager
