TOPIC Detailed Development Plan and Tentative Subdivision Plat.

CASE Killen Subdivision (PLD00-00001, SUB00-00001)

REQUEST Approval of a Detailed Development Plan and Tentative Subdivision Plat, on 1.78 acres, consisting of 16 residential units. The proposal is for a mixture of detached single-family, duplex and/or attached single-family (townhouse) residences. As a Planned Development, the applicant is seeking design flexibility from the Land Development Code Standards for items such as setbacks, lot sizes, street design and pedestrian facilities.

APPLICANT MSS, Inc./John Seaders PE/PLS

Corvallis, OR 97333

OWNER Maxwell Investments
3403 NW 60th Street

LOCATION 2753 NW Highland Drive; Assessor's Map 11-5-23 DC, Tax Lot 400

REVIEW CRITERIA: This request must comply with applicable Comprehensive Plan policies and with applicable portions of the Land Development Code (Comprehensive Plan policies 1.6.1, 3.12.1, 8.2.2, 8.3.2, 10.2.3, 10.2.4, 10.2.5, 10.5.4, and LDC chapters 2.4, 2.5, 3.4, 4.0, 4.1, 4.2, 4.4, and 4.6). Generally these criteria specify that developments address housing, compatibility with surrounding residences, landscaping requirements, parking and pedestrian accessibility, adequate provision of public facilities (water, sanitary sewer, and storm drainage), and urbanization policies.

THE HEARING PROCESS: Persons wishing to favor or object to the issues described above may do so by written statement or by appearing at the public hearing. The chairperson may set time limits for testimony. After receiving public testimony during the hearing, the Planning Commission deliberates and typically makes its decision before adjourning the meeting. The proposed application may be approved, modified, or denied. Any person participating in the hearing is entitled to have the hearing continued if new evidence or documents are submitted in favor of the application. Also, if not continued, a person testifying can have the written record remain open for seven days to submit additional written testimony. Failure to raise an issue, orally or in writing, during the hearing with sufficient specificity to allow the decision-makers an opportunity to respond will preclude appeal to the State Land Use Board of Appeals (LUBA) on that issue.

DECISION: The Planning Commission decision on this matter will be final unless appealed to the City Council.

ADDITIONAL INFORMATION: Citizens are welcome and encouraged to become familiar with the application and evidence submitted by the applicant, as well as the applicable review criteria. A staff report discussing the request in relation to the criteria will be available seven days before the hearing. All documents may be reviewed at the Planning Division Office without charge; copies will be provided upon request.
