**RE: Dangerous Building Investigation at 430 SW 8th Street, Corvallis
Violation Number: VIO02-00201**

Please contact me to discuss the status of this violation. Last time we spoke on July 1, 2002, you indicated that you needed a month to hire a contractor and complete the repairs of the undermined and cracked foundation. As you can see a month has since passed.

I simply need to know what your intention is relating to the foundation repair and to the hiring of a plumber for the installation of the new shower. Please contact me by September 19, 2002, to discuss this case. I can be reached at (541)766-6929.
