RE: Willamette Landing Phase III – Landscaping Plan

Dear Steve,

Attached please find the revised landscape plan for Willamette Landing Phase III. These have been revised to include different street trees and a detail on perforated piping to help the drainage issue.

Once these plans are approved we will pursue the installation bond. As always, if you have any questions, feel free to give me a call @ 754.2102 ext. 127.

Sincerely,

Terri Valiant
