SUMMARY OF DISCUSSION

Agenda Item	Action Recommendation
I. Approve Minutes	Minutes approved for May meeting.
II. ADA at 25	Final preparations made for the ADA at 25 event at the Majestic Theater.
III. Community Summit Planning	Discussed and came to some shared agreement around having an un-conference format for the community summit. We would introduce the goal, solicit discussion ideas from participants and break into facilitated groups to discuss. We would have a simultaneous track for children. Discussed holding the event at either CHS or Linus Pauling Middle School. After an afternoon of discussion, we would summarize common themes and have a shared dinner before hosting an evening speaker open to the whole community. The summit would be held in English and Spanish. We shared the list of community groups to reach out to. We discussed having the forum on January 23 rd , 2016. Suggested maybe Boys and Girls Club staff might help with kids. Look at Jane Waite social justice and equity curriculum.
IV. Annual Report	KLAB must submit an annual report by September. We will discuss at future meetings and brainstorm. We will present a draft in July and hopefully approve a final draft at the August meeting.
V. Selection of Vice-Chair	Megha Shyam was selected as vice-chair to fill the vacancy left by Esmeralda Reyes.
VI. Essay Contest	We discussed having two awards one for art (visual, video, etc.) and one for story describing the student's vision of a just community and how it came to be. Instead of one \$1000 prize, we would offer two \$500

	scholarships.
VII. Tim Wise	Tim Wise is coming to Oregon and would be available to do events in Corvallis. We selected and confirmed with Tim Wise to come 10/14. His fee is \$7500. We would partner with OSU and do an event at OSU and an event in the community.
VIII. Other Business	Discussed addressing a couple community issues. We will discuss more at next month's meeting.
IX. Announcements	Juneteenth celebration was successful. Well-attended and well-done.
