Re: Berman Rental (HPP15-00014) Written Testimony (second)

This memorandum includes a copy of written testimony submitted to Planning Division staff on August 3, 2015. This testimony was received after the August 4, 2015, staff report to the Historic Resources Commission had been printed, but before its publication. Therefore, this memo will be distributed along with the staff report. This testimony is in opposition to the proposed alteration, and was submitted by Dan Cox via email.

Subject: HRC's consideration of the Berman Rental

Carl,

I am writing to let you know that I support that the proposal of the Berman Rental be denied. Raising the roof line and floor level would have a negative impact on the historic character of the neighborhood and would change the character of the house in context to the 'twin' houses nearby.
