City Council Housing Development Goal:

The city will analyze policy and programmatic tools suggested by the 2014 ECONorthwest Housing Policy Options Study, including funding/resource requirements, and by December 2016, select and implement strategies to facilitate creation of additional transitional, low-income, and workforce housing. In addition, the City will develop strategies to sustain or increase service levels in order to continue the programs currently in place to build and maintain affordable housing.

Housing Development Task Force Charge:

Draft and propose for City Council approval the scope, process and timeline necessary to achieve the goal. Identify opportunities and mechanisms for community member involvement, and the best methods for communicating task force work status with the City Council.
