I. APPROVAL OF MINUTES - March 18, 1998

Commission member Adler corrected page 3, paragraph 4 of the minutes to eliminate "it through" from the second sentence. The minutes were approved as revised.

II. ADA PARATRANSIT SERVICE PRESENTATION

Transit Manager Barrett provided information and answered questions regarding the Americans With Disabilities Act of 1990 and the implications for Corvallis Transit System, focusing on the requirement for paratransit service for disabled persons who are unable to use the regular fixed route bus service. Ms. Barrett reviewed the paratransit eligibility criteria and provided a copy of the City's application form. She reviewed the six service criteria that all ADA paratransit service must meet and noted that

Corvallis exceeds the requirements for service area. She reviewed the history of the City's paratransit service and partnership with Dial-A-Bus and Benton County in implementing the program. She then provided information regarding the Benton County Special Transportation Program, including the results of a 1992-93 study which guides the program. The role of the Benton County Special Transportation Advisory Committee was reviewed, as well as its current activities. Dial-A-Bus Manager McDonald was available to answer specific questions regarding the Dial-A-Bus operation. Staff will research one question regarding the fixed route bus operation relating to the responsibilities of the bus operator.
