**SUMMARY OF DISCUSSION**

| Agenda Item                          | Action Recommendation   |
|--------------------------------------|---|
| I. Approve minutes                   | Approved November minutes.  |
| II. January Event                    | The title of the talk will be "Oregon's Racial History and King's Vision of Justice". Most things have been worked out. We need to work out catering and publicity. Footwise will be contacted for a display. Esmeralda is working on the poster. |
| III. Essay Contest                   | Essay submissions were reviewed and judged and a winner selected. It was decided that each entrant would receive a \$20 gift certificate to their choice of Grassroots or Book Bin like last year.  |
| IV. Albany Human Relations Committee | Jasper attended the Albany HRC meeting and Chareane attended the presentation of a welcoming ordinance to the Albany City Council.  |
| V. City Council Priorities           | We received a request to provide feedback on goals for City Council. The request went out 12/19 with a deadline of 1/12. It does not give much time for meeting and responding. Jasper will pass along any feedback board members have.           |
| VI. Community Policing Forum         | There will be a community forum on policing 2/17 at 5:30 at the Centro Cultural Cesar Chavez. We will try to attend and see if there is still a need for us to host a forum in April.   |
| VII. Other business                  | We will meet next on Tuesday January 20 <sup>th</sup> . This is a week before our regular meeting to attend to last minute details relating to the event.   |
| VIII. Announcements                  | The new charge and new name were approved by City Council. We are now the King Legacy Advisory Board.   |
