OUR COMMUNITY VISION IN ACTION

Throughout 2016, the Imagine Corvallis 2040 project engaged our community in robust conversations about preferences for our city's future. Hundreds of community members participated in events, public meetings and workshops, surveys, interviews, fairs and online activities.

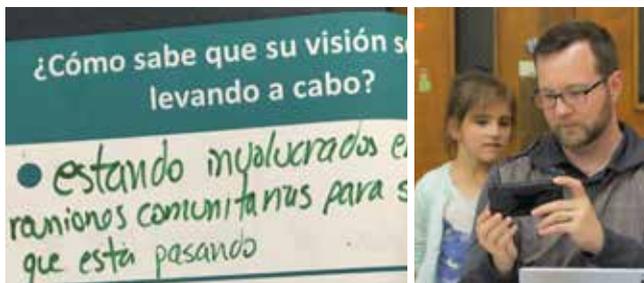

Corvallis community members brought creative ideas and diverse points of view to conversations focused around six areas:

Engage & Support
Steward & Sustain
Learn & Thrive
Innovate & Prosper
Create & Celebrate
Plan & Change

These conversations generated the Imagine Corvallis 2040 Vision outlined in this booklet.

The goal of the Imagine Corvallis 2040 Vision has been to guide our community leaders, community organizations and individuals to make decisions and take actions that reflect our community's shared values. These actions will leave a positive legacy for generations to come.

Welcome to our community vision for Corvallis in 2040!
